

**AMENDMENTS TO THE ABSTRACT**

Please amend the Abstract of Disclosure as follows:

A cotton wool cleansing pad ~~(1)~~ includes a panel ~~(2)~~ of hydroentangled cotton material having a dry weight in the range 170-250g per square metre impregnated with a cleansing liquid or the like.

Preferably a number of the pads ~~(1)~~ are formed in a interlinked strip of pads ~~(1)~~ joined edge to edge by tear-away links and mounted in a dispensing pack.
